Dear Mr. Jensen,

I understand you have the regulatory responsibilities for the Poverty Point, Devil's Slide and Skull Valley mines operated by Holcim, Inc. Enclosed are the final reports for the soil and vegetation baseline assessments which I completed over the summer at these mines. Holcim also has a copy of these reports at their Devil's Slide office.

Could you please email me at: wheelermindy@yahoo.com to let me know you received these reports?

Thank you.

Sincerely,

Mindy Wheeler
